

Here's a few stats for Diablo Team Play

We also had a good year, we had high hopes for coming in first in gross this year against Blackhawk. We had it going on for a while but just fell short in the end. Very solid second place in gross and pulled our self out of last place in net in our final match and got 7th! We have a GREAT team, and I really feel like next year we have a real chance at claiming victory!!!

Our players:

Lisa Ferrante, Annette Krey, Cindy Aafedt, Terry Billingham, Cathy Houston, Donna Ybarra, Becky Heagle, Dana Wardstrom, Donna Grover, Lin Lenson, Jenny Dillon, Cindy Renshaw and Jill Chase

Thanks,
Annette
